2011 Black Tie and Blue Jeans Gala

About Rotaract

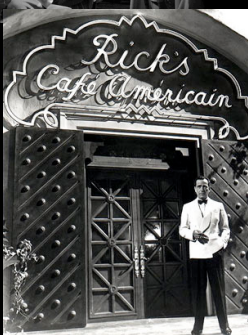

Rotaractors make up a special kind of young professionals. Just like their counterparts in Rotary International, their primary focus is "Service Above Self." The Rotaract Club of Florida's First Coast was founded in April 1990 by a group of young professionals in Jacksonville. We work towards our vision of striving to enhance our community through the common bonds of professional development, service and friendship. Rotaract members are ages 22 to 32, active in the community, interested in advancing their careers and personal development and interested in current events locally and nationally.

About Black Tie and Blue Jeans Gala

Rotaract Club of Florida's First Coast will host its 10th Annual Black Tie and Blue Jeans Gala on Saturday, June 4th, 2011. Each year Rotaract members plan this cocktail event that features entertainment, food from local restaurants, and a goal to raise funds for a yearly beneficiary organization. Annually, members choose a local organization to receive all the funds raised at this annual event. This year the beneficiary will be The Big Fun Box. Last year Black Tie and Blue Jeans raised \$23,000 for the Morning Star School here in Jacksonville. Black Tie and Blue Jeans has raised over \$140,000 for various organizations over the past 10 years.

About The Big Fun Box®

The Big Fun Foundation is a Jacksonville-based 501(c)(3) organization with a national reach. The Foundation raises funding to create Big Fun Boxes; activity boxes that are donated to hospitalized children, around the country, to give them ways to distract themselves. The Foundation's president and her late son established The Big Fun Foundation to help families who found themselves in similar situations to theirs—frequent and extended hospital stays for his cystic fibrosis, bilateral lung transplant and colon cancer. Their strength for maintaining their sense of humor and perspective was found through making up games to help distract them. The Big Fun Box is donated to children *with any illness or injury* so they and their families can learn some on the coping skills the founders used to see them through tough, boring, scary situations, and find comfort and fun during these times.
